

## Filter Pure Systems Deliver a Sparkling Solution to Water Filtration

Celebrating their 30th year in business, Filter Pure Systems, Inc. is a proven leader in the water filtration industry. With a reputation of providing innovative products at the highest quality, they have delivered on their mission statement to become the "first choice" distributor for water filters and filtration systems.

Filter Pure Systems was founded in 1981 by the Lowe Family in Tampa, Florida. Rusty Lowe, Founder and President, wanted to provide clean drinking water to his family, friends and customers. Though the company has grown exponentially over the years, Filter Pure Systems' commitment remains the same - to ensure every glass you drink is sparkling clear.

Carrying identifiable brands as the **Everpure**, **Pentair** and **SHURflo**, their innovative products deliver a fresh solution in water filtration. Filter Pure Systems' dedication to superior quality has resulted in them being the premier choice for water filtration in both domestic and international markets. Their reliable products and outstanding customer service is why government entities, leading companies such as Coca-Cola and Walt Disney, and major restaurant chains trust Filter Pure Systems with their filtration needs.

**"We are proud of our products because they provide real value to our customers. Better taste and reduced maintenance affect each operator's bottom line."**

Over the last 30 years, Filter Pure Systems has spurred substantial growth; what began as a \$60K first year has grown into a multi-million dollar per year enterprise. "The future of Filter Pure Systems is strong," notes Lowe. "Our internal plans call for an additional increase in sales this year of at least 20-25%." With these projections, Filter Pure Systems is actively expanding infrastructure and facilities to accommodate this growth and best serve their customers.
